✓ THE STONE AGE ✓

by Hal E. Roach.

As the title suggests, the offering shows the humors of ancient times, opening with views of a busy street in the antediluvian City of Rockypolis. The satire, brought about by introducing modern details into the ancient settings, and the caveman method of wooing, makes the comedy one of the funniest products.

This document is from the Library of Congress  
“Motion Picture Copyright Descriptions Collection,  
1912-1977”

Collections Summary:

The Motion Picture Copyright Descriptions Collection, Class L and Class M, consists of forms, abstracts, plot summaries, dialogue and continuity scripts, press kits, publicity and other material, submitted for the purpose of enabling descriptive cataloging for motion picture photoplays registered with the United States Copyright Office under Class L and Class M from 1912-1977.
